

↑ Tenant Your Space Faster

WITH VIRTUAL INSPECTIONS 24/7

Show 5 times more potential tenants through your space than physical inspections alone.

Protection Plan

Lockdowns and restrictions on inspections are protected against with 24/7 virtual inspections

Qualify More Tenants

Virtual inspections help potential tenants access measurement tools to fully evaluate how the space can work for them

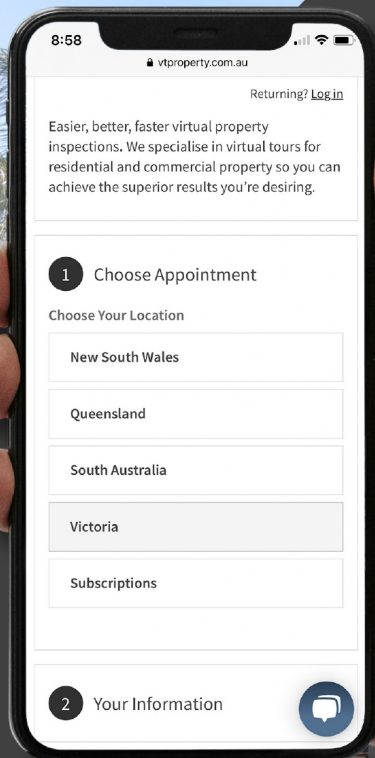

From \$299 inc. GST

Try a tour now

Don't Leave Your Space Vacant!

Listings with Virtual Inspections drive tenants to interact with your space and actively evaluate how it can work for them. Our dollhouse and floorplan view, along with the measuring tool means potential tenants can start thinking about layout, functionality and fit-out - the result for you is more qualified potential tenants, more competition and faster leasing of your space.

3-STEPS TO VIRTUAL OPEN HOMES

1. Head to littlehinges.com.au from any device
2. Select your preferred appointment time and fill in your property details
3. Sit back! You'll get your virtual tour link back within 24hrs of your scan
